By: Sandy AKO- (Madang Agent)

June 8th 2017

EDNA KUSUBA lives in Erima Village, Ward# 17, Astrolobay Local Level Government Council, Madang District, Madang Province and it's about 1 1/2 hour drive or on pmv cost her K5 one way. She has started savings with Women's Micro Bank since 02nd of May, 2016 and her savings has reached the requirement amount guaranteed her to get a Start-up loan (Kwik Loan).

Firstly, she applied for a first loan of K400.00 Kwik Loan dated 15th August, 2016 which she started her dream of her foundation of her business. She bought her Trade Store goods to start off as Table Market (roadside market).

Then, she applied for a second loan of K1,000.00 Meri Start-up Loan dated 11th October, 2016 which she bought more of trade store goods for her Table Market and extension of table market building (bush material) a bit bigger.

The third loan amount of K 4,000.00 was a Meri Business Loan which she bought more of trade store goods to fill in the extension and buy wet cocoa beans for fermentation. She has her own Cocoa Fermentory.

She bought all her building materials ready for her permanent Trade Store Building.
